

Lansing Knights and the Philadelphia Phillies

Celebrate Youth Softball

Saturday May 18, 2013

This Spring we will again have the opportunity to participate in **The Philadelphia Phillies Youth Softball Celebration**. Like last year it includes a Softball Clinic, player parade around the field at Citizen's Bank Park and tickets to the game.

Clinic at FDR Park 10:00 am— 12 :30 pm

During the day, the Phillies will be holding a special Softball Clinic at the FDR Park softball fields located at the corner of Broad Street and Pattison Avenue. The clinic includes instruction on fielding, pitching, base running and hitting by members of the National Pro Fastpitch Softball League and the Phillies Ball Girls.

Phillies vs Reds 4:05 pm

\$30.00 per ticket.

That afternoon's 4:05PM game against the Cincinnati Reds will honor the game of softball. We will have the opportunity to parade around the field prior to the 4:05PM game in full uniform and show our Lansing pride!! **The cost of ticket is \$30.00.**

Between the clinic and the game, Lansing will set up a tent and provide water, soda and pizza. This will alleviate the need to drive back and forth from the Northeast. **Last year over 40 girls participated in the clinic and parade and 75 parents and players attended the game, and everyone had a great time!**

Tickets to the game and space for the clinic are limited and will go quickly !!

Please contact Lansing's Softball Director, Dave Wyszynski, as soon as possible at [267-567-5561](tel:267-567-5561) or by email at davew@lansingknights.com to reserve your tickets and your daughter's space at the clinic.

PLEASE MAKE RESERVATIONS FOR THE CLINIC AND GAME BY FRIDAY MAY 3RD.

TICKETS FOR THE GAME MUST BE PAID FOR BY MONDAY MAY 13TH.
